Make a Splash in Temple this Summer

(Temple) – Temple Parks and Leisure Services is ready for pool season! “With three outdoor swimming pools, one indoor pool, and Lions Junction Family Water Park, Temple is ready for you to make a splash this summer,” said Recreation Superintendent Chuck Ramm.

Walker Pool (2615 N. 3rd St.) and Clark Pool (1806 Curtis B. Elliott Dr.) open weekends starting on May 26 and daily beginning June 5.

The Summit Family Fitness Center Pool (620 Fryer’s Creek Circle) will open weekends starting on May 19 and daily beginning June 4. The Summit Pool is open to members of the Summit Family Fitness Center. Summit membership information can be obtained by visiting the center or by calling 254.298.5348.

Sammons Park Indoor Pool (2220 West Ave. D) is open year-round.

Lions Junction Family Water Park (5000 S. 5th St.) opens weekends starting May 19 and full time beginning June 2.

“All the pools provide lots of fun! We also offer the opportunity to rent the swimming pools and the water park for private parties or group functions. Each year, many take advantage of this offer to have the pool or water park for their birthday, family reunion, or company events. I would encourage anyone interested in renting the pools or water park to do so rather quickly as the available dates will fill up fast. Contact us as at 254.298.5690 as soon as you know the date and pool you want to reserve,” said Ramm.

“We can accommodate events of all sizes. Individuals can reserve pavilions within our pools all the way up to the entire water park, which can accommodate about 350 guests! We will help you choose the best location and help make your event one to remember!” said Ramm.

Swim lessons are also offered at the pools. Lessons are offered at a variety of times and for different ages and skill levels.

For more information on visiting or renting a pool for your party or event, please call 254.298.5690 or visit www.templeparks.com.
